

Schools Gateway programme

Interested in getting the next generation into the trades?

EarnLearn's Gateway Programmes are designed to do just that. They're government-funded programmes that encourage Year 11, 12 and 13 students into the workplace by integrating real life work experience with school-based learning.

The programmes involve a student entering a workplace one day a week, for a period of time, to learn the work from experienced tradespeople. This hands-on experience helps students choose a career that's right for them, along with an introduction to the basic skills to help them succeed in the trades.

EarnLearn offers work-based learning and qualifications across selected trades and services in New Zealand, and offers Gateway programmes in **Electrical, Plumbing, Gasfitting and Draining (PGD), and Scaffolding.**

Talk with your school careers advisor about our Gateway Programme.

EarnLearn

Our Gateway Programme

These programmes are a blend of theory and on-job training and are supported by EarnLearn in partnership with secondary schools and local businesses.

Gateway is a great opportunity for students in years 11-13 to:

- gain credits towards a trade qualification
- earn credits towards their NCEA Level 2 and 3
- gain practical work experience and training with qualified professionals
- decide whether a trades career is right for them.

What is the fee per student?

The fee for each programme is \$200 + GST per student. This is paid by the school gateway programme.

How to get started?

Talk to your careers advisor about getting a place in the Gateway Programme.

How it works:

Schools:

- Enrols students with EarnLearn.
- Support students through training and assessment requirements.
- Fund the training programme.

Employer taking on student:

- Works with the student, and school to determine the best timing for the student to be on-site and how regularly.
- Supports the student with their training requirements.

EarnLearn:

- Provides course material and pastoral care.
- Processes enrolment and payment.
- Assigns an assessor.
- Provides guidance and support.
